

# Team America PAC

Team America Political Action Committee, which is dedicated to securing our Nation's border, was created by Republican Congressman Tom Tancredo of Colorado. Its donors are conservatives and independents who lean Republican and are committed to securing our borders and halting the growing illegal immigration crisis.

These donors have donated to Team America for the past 3 years to help make this issue a significant part of the national political debate and to identify, recruit, and help elect to public office, individuals who are committed to enforcing our laws and securing our borders. They are also strongly motivated to punish at the ballot box and defeat those already in office who are selling out our country on this issue.
